KENYA'S FIXED COUPON BOND - MAY 2023

The Central Bank of Kenya is issuing a new fixed coupon bond.

FXD1/2023/003 was issued by the CBK to support the government's budget.

The coupons, or the interest rates will be determined by the participants bidding for this bond. Expect the interest on this bond to be high.

This is an investment opportunity!

This bond is on offer until 15th of May 2023. Key things to know about this bond:

- 1. The bond will last for 3 years then you get your money back.*
- 2. This bond's interest will be paid semiannually (6 interest payments for the duration of the bond).*
- 3. A tax of 15% applies on this bond.*
- 4. The minimum amount you need for this investment is KSh. 50,000.*

Where do I begin?

1. Have an active CDS account with the Central Bank of Kenya
2. Have access to the mobile platform in order to make your bid
3. Have at least KES 50,000 set aside for this investment.

Contact us for more information regarding this bond.

Giving you the key to financial success!
